This report covers activities from July through September 2008, and provides a summary of participant information from program start in August 2006 through the end of the first quarter of FY 2009. This is a joint report of the Departments of Human Services, Corrections, and Health.

PARTICIPANTS:

On August 21, 2006 the first group of eight inmates began the IMT Program. As of September 30, 2008, 179 inmates had been involved in the program. A breakdown of the status of these 179 inmates as of September 30, 2008 is below:

- Ten were in phase 1 (prison), waiting to begin treatment.
- Thirty three including one mentor were attending phase 2 (treatment in prison) .
- Seventeen were attending phase 3 (Halfway House).
- Thirty two were attending phase 4 (Independent Living).
- Fifty three had completed all phases of the program.
- Thirty four were listed as program failures:

Three were removed from phase 2 for disciplinary reasons.

Nine absconded/walked away from parole/halfway house while in phase 3.

Six violated halfway house rules while in phase 3.

Two violated supervision rules while on parole in phase 3.

Three failed due to alcohol or drug use while in phase 3.

Seven failed due to alcohol or drug use while in phase 4.

Two absconded while in phase 4.

Two violated program rules/supervision requirements in phase 4.

- In summary, as of September 30, 2008, 145 of the 179 inmates who started the IMT program had either completed or were involved in the program.
